2010-2011 SKATING SEASON

## SKATE WITH THE HERSHEY FIGURE SKATING CLUB

Join us and become a part of the great history of accomplished skating in Hershey. That history goes back to the founding of the club in 1934 and includes U.S. National Champions, cast members of touring skating shows like Disney on Ice, skating coaches, choreographers, and more! Many HFSC skaters go on to skate for nationally-ranked collegiate synchronized skating teams, join skating shows, and coach around the country. Other members serve behind-the-scenes as judges and technicians – making sure skating competitions from the local Hershey Open to the U.S. Figure Skating Championships run perfectly.

At Hershey FSC, we encourage the instruction, practice, and advancement of our members in all figure skating disciplines. We operate figure skating programs for skaters of all ages and promote growth of the sport under the general policies and objectives of U.S. Figure Skating, the national governing body for skating in the United States.

### We cultivate an environment with five core values:

- Fun •High Quality Instruction
- Good Sportsmanship

## U.S. FIGURE SKATING PARENTS CODE OF CONDUCT

**Codes of Conduct give everyone a guide to what is expected of us if we are part of an organization, participating in a sport, or as spectators at our child's events.**

**Preamble:** The essential elements of character-building and ethics in sports are embodied in the concept of sportsmanship and six core principles: respect, responsibility, fairness, caring, trustworthiness and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character".

1. I will encourage good sportsmanship by demonstrating positive support for all skaters, coaches and officials at every practice session, competition and test session.
2. I will place the emotional and physical well-being of my child ahead of my personal desire to win.
3. I will encourage my child to skate in a safe and healthy environment.
4. I will inform my child's coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
5. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the results of a competitive event.
6. I will never ridicule or yell at my child or other participant for making a mistake or blame my child's teammates for placement in a competition.
7. I will do my best to make skating fun and will remember that my child participates in sports for his/her enjoyment and satisfaction, not mine.
8. I will ask my child to treat other skaters, coaches, fans and officials with respect, regardless of race, creed, color, sexual orientation or ability.
9. I will applaud a good effort in both victory and defeat emphasizing the positive accomplishments and learning from the mistakes.
10. I will teach my child to resolve conflicts without resorting to hostility or violence.
11. I will be a positive role model for my child and other skaters.
12. I will demand a figure skating environment for my child that is free of drug or alcohol abuse and agree that I will not use or provide to a third party any drug prescribed by applicable federal, state or municipal law.
13. I will not assist or condone any competing athlete's use of a drug banned by the International Olympic Committee, International Skating Union, United States Olympic Committee or U.S. Figure Skating, or, in the case of athletes, to use such drugs or refuse to submit to properly conducted drug tests administered by one of these organizations.
14. I will not provide alcohol to or condone the use of alcohol by minors, abuse alcohol in the presence of athlete members or at U.S. Figure Skating activities or, in the case of athletes, consume alcoholic beverages while a minor.
15. I will encourage my child's coach to continue their education and training through programs offered by U.S. Figure Skating, the Professional Skaters Association and other accredited organizations.
16. I will respect my child's coach and refrain from coaching my child or other skaters during competitions and practices because it may conflict with the coach's plan or strategies.
17. I will respect the decisions of officials and their authority during competitions and test sessions and teach my child to do likewise.
18. I will show appreciation and recognize the importance of volunteers and club officials.
19. I will study the rules of U.S. Figure Skating and teach my child accordingly, so that we have an understanding and appreciation of the rules of competition and membership.
20. I will support all the opponents in my child's competition and respect the rights of all skaters to participate.

## OTHER INFORMATION

### Code of Conduct

Hershey Figure Skating Club supports the U.S. Figure Skating Parents Code of Conduct (left) in all our activities.

We encourage all skaters, including Adult and College members, to be familiar with the Code of Conduct which embodies the ideals we present in our programs and activities.

### New to Skating?

Skating, like many things, can seem complicated when you first get involved. You might be looking for answers to many questions, like:

- What to wear
- Buying the right skates
- Preparing for competition
- How testing works

Feel free to ask any board members, program coordinators, skating professionals, and other members for answers to your questions. We were all new to the sport once, so we understand. You will also find good resources at the U.S. Figure Skating website, [www.usfigureskating.org](http://www.usfigureskating.org). Click on Programs.

### Volunteer Opportunities

Skating clubs are run by volunteers and at Hershey we encourage and value volunteerism by all our members, including our junior members. If possible, take time to volunteer with us. You will learn more about skating and, at the same time, make new skating friends. Contact the club president to find how you can get involved.

### Ice Rules

Hershey FSC supports a safe skating environment for all participants. Ice Rules are posted at each rink location. Skating Professionals and Program Coordinators may remove skaters who do not abide by ice rules. Please do your part to make sure we all skate safe!

### Support for Qualifying Competitions

To assist eligible HFSC Home Club members to achieve the highest skating awards in U.S. Figure Skating, we provide support to assist with expenses involved with Qualifying Competitions. Please visit the club website for more information.
